Moreover, this is water and windproof as well as it is very light weighted. This jacket consists of two layers. First is a soft inner layer and second is a tough outer Shell. The inner layer is made of spun fleece which helps the body to warm.

Furthermore, the most interesting thing which I really like, the pocket of this jacket is too large and, on the front of both pockets has a closer zip. This is a full-sleeved jacket and the cap is also removable.
