

PRACTICE TEST 24**LISTENING****SECTION 1** **Questions 1 – 10****Questions 1 – 5**

Complete the sentences below.

Write **NO MORE THAN THREE WORDS AND/OR A NUMBER** from the listening for each answer.

Example**Answer**

The new family's surname is

Wood

- 1 The new family wishes to enrol with the Albans Dental Practice and they also want to sign up for the _____ package.
- 2 Amelia Wood is _____ years old.
- 3 The Wood's previous dental practice will send their dental records by _____.
- 4 The Woods are waiting for the results of their _____ on a nearby house.
- 5 Margaret Wood's husband's mobile telephone number is 07763 854 _____.

Questions 6 – 10

Complete the table below.

Write **NO MORE THAN TWO WORDS** from the listening for each answer.

Dental Insurance Plan	Notes	Costs (All based on (10) _____)
Core	<p><u>Fully Paid</u></p> <ul style="list-style-type: none"> (6) _____ examinations, hygiene treatments, gum disease treatments + dental x-rays <p><u>50% Paid</u></p> <ul style="list-style-type: none"> remedial or restorative treatments (e.g. fillings, crowns, bridges and dentures) <p><u>Other Benefits</u></p> <ul style="list-style-type: none"> Mouth cancer covered (£12,000) for 18 months following (7) _____. (Smokers included) Dental overseas travel insurance (£5000 for up to 4 incidents) (Cleaning not covered) 	£30 per person £100 per family
Premium	<ul style="list-style-type: none"> Same as the core plan, but cleaning is covered Overseas cover is increased to (8) _____ pounds Tooth straightening procedures (braces) are covered (braces help children (9) _____ properly, eat more comfortably and dental care is easier; treatment lasts from 18 months – 2 years) 	£45 per person £150 per family

SECTION 2 Questions 11 – 20**Questions 11 – 15**

Complete the summary below.

Write **NO MORE THAN THREE WORDS** from the listening for each answer.

The Yardley Exercise Club

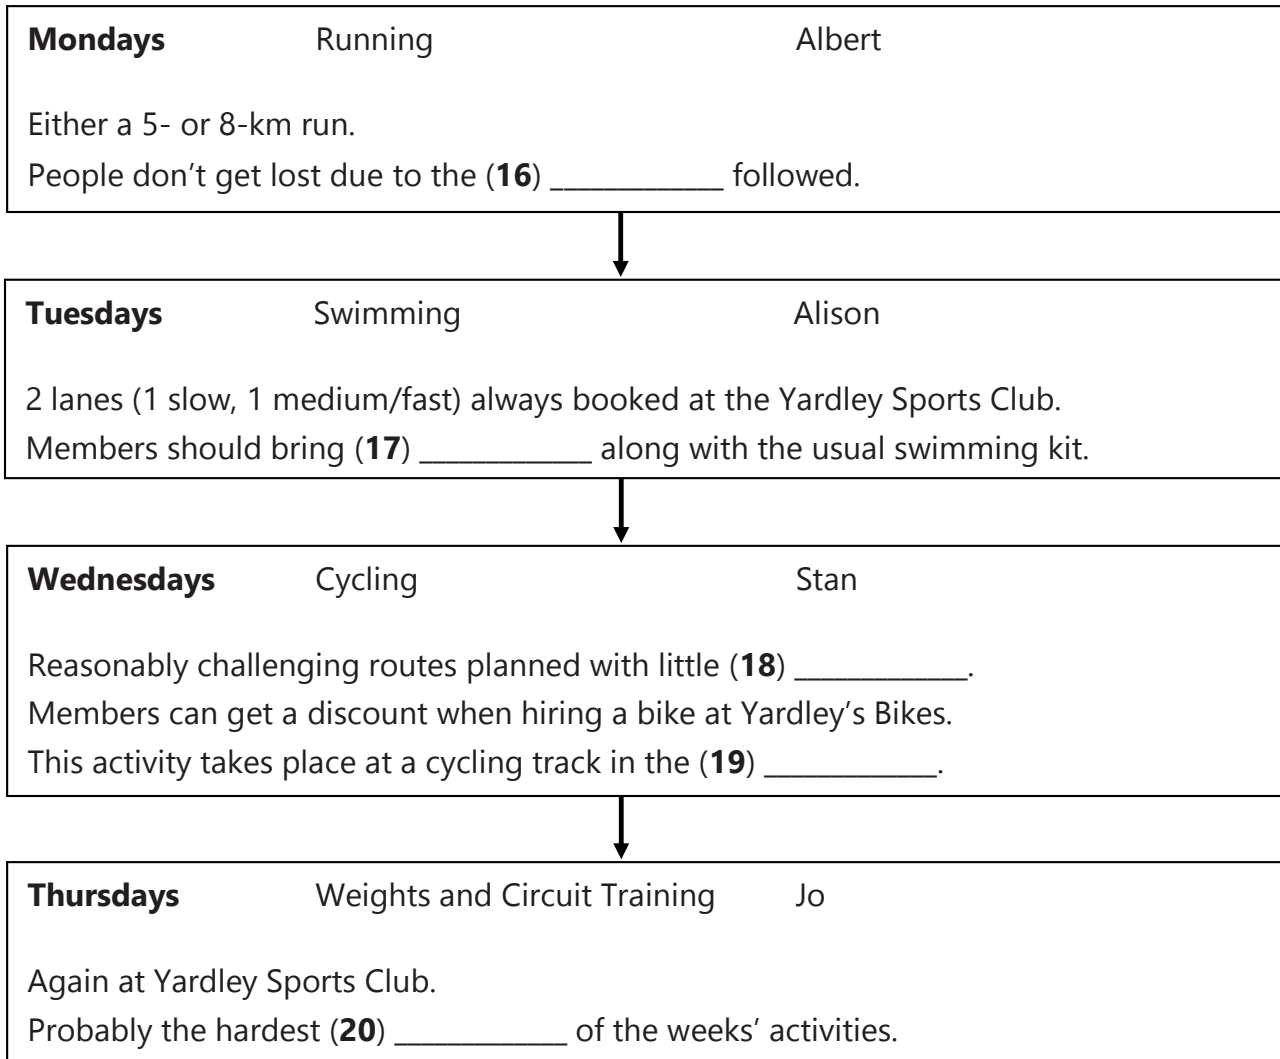

The Yardley Exercise Club does 4 different exercise activities weekly from Monday to Thursday. A different designated (11) _____ organises each activity. A monthly party is held at a member's house; a small (12) _____ is paid by everyone to the host. To be part of the club, members should pay £10 by direct debit on the first of every month - the money is used for (13) _____ and insurance. New members should ensure Jack Lane has their email addresses and mobile numbers for the weekly email and text message explaining the week ahead's plan (this can also be seen on the website). Activities always start at seven p.m., though in order to avoid (14) _____, people should arrive a little early for the warming-up exercises. Any injuries can be treated in a basic way by a trained member, who will also have the club's (15) _____ with him or her.

Questions 16 – 20

Complete the flow chart below.

Write **NO MORE THAN ONE WORD** from the listening for each answer.

Yardley Exercise Club - Weekly Activities

SECTION 3 Questions 21 – 30**Questions 21 – 25**

Choose **FIVE** letters (**A - H**) and write them in any order in boxes **21 - 25** on your answer sheet.

According to the conversation between Jonathan and Professor Williams, pick **FIVE** things that Jonathan is complaining about regarding Dr. Forrest.

- A** Dr. Forrest does not allow students to use computers during his classes.
- B** Dr. Forrest has unfairly punished some students.
- C** Dr. Forrest is not punctual.
- D** Dr. Forrest sometimes speaks inappropriately.
- E** Dr. Forrest often calls in sick.
- F** Dr. Forrest does not provide digital copies of relevant papers.
- G** Dr. Forrest does not answer student emails.
- H** Dr. Forrest can show annoyance with his students.

Questions 26 – 29

Complete the notes below.

Write **NO MORE THAN TWO WORDS** from the listening for each answer.

The Causes of Algal Blooms

Algal blooms are encouraged by (26) _____ entering the water (mainly phosphorus and nitrogen). They come from:

runoff and erosion from fertilised agricultural areas.

river bank and bed erosion.

land clearing.

discharge of (27) _____.

When sediments release phosphates because the water is low in dissolved oxygen, algal blooms can occur.

Blooms can happen with low (28) _____ of phosphorus and nitrogen, but are more likely when high.

Temperature

Blooms more likely in warmer and lighter months - optimum temperature: 25 degrees Celsius. Algal blooms are rare in (29) _____ during the winter, but algal blooms can occur all the time in tropical areas.

Question 30

Choose **ONE** letter (**A - G**) and write it in box **30** on your answer sheet.

Which **ONE** of the following in humans or animals is **NOT** mentioned as being adversely affected by the toxins and irritants found in algae?

- | | |
|----------|---------------------|
| A | Liver |
| B | Neurological System |
| C | Stomach |
| D | Heart |
| E | Skin |
| F | Eyes |
| G | Lungs |

SECTION 4 Questions 31 – 40**Questions 31 – 33**

Complete the summary below.

Write **NO MORE THAN ONE WORD** from the listening for each answer.

Recent Wind Power Exploitation

Wind projects have flourished since 1991, mostly in **(31)** _____ waters in Europe, but the U.S. is following. Improved **(32)** _____ will soon lead to wind projects in deeper water.

Wind has been exploited for millennia for different uses, but today, it's used mainly for producing electricity. Today's turbines all work in a similar way and the advanced engineering has improved **(33)** _____ and electrical generation.

Questions 34 – 37

Choose **FOUR** letters, **A - G**.

What **FOUR** from the following list are potential advantages to the U.S. wind energy industry?

- A** The offshore winds around the U.S. blow quite reliably.
- B** Sea-based projects are very popular with the general public.
- C** The frequent U.S. low wind conditions actually produce surprisingly large quantities of electricity.
- D** Not much new engineering is require to adapt land-based wind technology to sea- based projects.
- E** Potential wind sites around the U.S. are not affected by ice in the sea.
- F** Current sea-based wind turbines are well protected against rust.
- G** Most potential wind sites around the U.S. are in shallow water.

Questions 38 – 40

Label the diagram below.

Write **NO MORE THAN THREE WORDS** from the listening for each answer.

An Offshore Wind Turbine
